## NEDEN BİR TIK ZOR?

Yeni çağ, bilgiyi akılda tutmayı değil edinilen bilgiyi günlük hayatta kullanmayı, davranışa ve pratiğe dökmeyi gerekli kılıyor. Bu doğrultuda eğitim sistemi de yenilikten bağımsız düşünülemez. Çağımızın gerektirdiği yeni eğitim sisteminde, davranış odaklı kazanımlar bütün bilgi dallarında yepyeni bir ölçme ve değerlendirme yaklaşımını da beraberinde getirmektedir.

Değişen sınav sistemi, sorularda, okuma-anlama düzeyini ve muhakeme yeteneğini ön plana çıkarmaktadır. Yayımlanan örnek sorular da göstermektedir ki bir metinden birden fazla soru sorma geleneği devam edeceği gibi sınavda görselleri yorumlama da ön planda olacaktır. Çıkmış sorular ve örnek sorular gösteriyor ki MEB "öncüle bağlı sorular", "metin yorumlama", "görsel okuma" ile "mantık" soruları üzerinde yoğunlaşmaktadır. Bizler de bu kitabımızda, belirtilen başlıkları ön plana çıkardık ve değişen sınav sisteminde %10'luk dilime girmeye çalışan öğrencilerimize yönelik bir kaynak kitap ortaya koymaya çalıştık.

### Bu kitabın klasik soru bankalarından farkı nedir?

- Soru bankamız, MEB'in aylık olarak yayımladığı örnek sorular ve çıkmış sınav sorularıyla hem yapı hem de mantık olarak birebir özdeş hatta "**bir tık daha zor**" sorulardan oluşmaktadır. Zor gayreti gerektirir, gayret de başarıyı getirir. Sınavda % 1 ile % 10'luk dilimde siz de yer almak istiyorsanız biliniz ki "zor"la yüzleşmelisiniz.
- Tekrar hatırlatalım artık sadece salt ezber bilgiye ve teoriye dayalı sorular sorulmamaktadır. Bu yüzden kitapta mantık yürütme, yorumlama, görsel okuma, çözümleme, farklı yaklaşımlarla sonuca gitme becerilerini geliştirmeye yönelik soru örnekleriyle karşılaşacaksınız.
- Bu kadarı yeterli mi? Tabii ki değil. Sorular, MEB İngilizce müfredatının kazanımları çerçevesinde tasarlandı. Çok çeşitli soru kombinasyonları, sınavın havasını teneffüs etmenizi hatta bir tık önde olmanızı sağlayacaktır.
- Soruların büyük bir bölümü bilgi, mantık, akıl yürütme ve çözümleme becerilerini ölçmeye yöneliktir. Bunun yanı sıra dikkat gerektiren ince detaylara da yer verildi. Baştan uyaralım: Dikkatli ve kurnaz değilseniz başarılı olamazsınız.
- Kitabın dikkat çekici özelliklerinden biri de tek öncüle bağlı çoklu soru tarzıdır. Bu tür sorularda aynı açıklamaya bağlı olarak birden fazla soru sorularak çok yönlü ve birbiriyle ilintili çözümleme yapmanız istenmektedir.
- Ayrıca analiz yapma, cümleleri sıralama ve eşleştirme, diyalogları tamamlama, görsel yorumlama, sözel mantık ve muhakeme merkezli bir kitabı elinizde bulundurmaktasınız.
- Bütün bunlar kitabımızı klasik soru bankalarından farklı kılmakta ve bizi tercih eden öğrencilerimizi sınavda bir tık öne taşımaktadır.

UNIT 1

# Friendship

DATA YAYINLARI

1

Hello, I am Selçuk. In my opinion, friends come into our lives and stay forever. I attach great importance to my friends, so I have a lot of friends. I like spending time with them. They are like my family and most of the time, we get on well with each other, but we sometimes argue. Mark is my best friend because we have got the same interests and hobbies. Especially, we enjoy going to concerts together. We have a good relationship. I always count on him. He never tells lies, but sometimes, he doesn't change his mind. Nancy is also one of my great friends. Having a friendship with Nancy makes my life easier because she is always with me both in happiness and in times of trouble. Kevin is also my friend, but most of the time, I don't get on well with him because he is jealous, arrogant and a snob. He only thinks himself. He isn't worried about anything and he is a relaxed boy. Fred is one of my mates, too. He always tells jokes and makes me laugh. Moreover, he is understanding and honest. He never shares my secrets with anyone. I like my friends and I hope we will be great buddies for a long time.

Which of the following is **CORRECT** according to the paragraph above?

- A) Nancy is a tactful girl and she is often there whenever Selçuk needs, but sometimes, they argue.
- B) Fred is Selçuk's great buddy and he is a funny boy, but he never keeps Selçuk's secrets.
- C) Selçuk thinks Kevin is laid-back and he looks down on his friends, so he doesn't get on well with Kevin.
- D) Mark always tells the truth and he has lots of things in common with Selçuk, but he is a bit bad-tempered.

2

Researchers asked teenagers in Turkey and France about kinds of movies they preferred.

Here are the results:

**TURKISH TEENAGERS**

**FRENCH TEENAGERS**

We can understand from the information above that .....

- A) watching action movies is the most popular activity among French and Turkish people
- B) teens in Turkey watch horror movies more than teens in France
- C) most of the French teens are crazy about watching drama movies, but the preference of watching romance movies is the least among them
- D) both Turkish and French teenagers don't enjoy watching drama movies, they prefer horror movies the most

29

**Aaron**

Would you like to join us after school? We are going to have dinner together with friends.

**Sally**

Oh! How nice! Where are you going to go?

**Aaron**

There is a new restaurant in town. We are going there.

**Sally**

I would like to come, but I need to go to the bank, first.

**Aaron**

So, are you going to join us later?

**Sally**

Definitely!

According to the dialogue above, which of the following is CORRECT?

- A) Sally refuses Aaron's invitation.
- B) Aaron and Sally are going to have lunch together.
- C) Sally accepts Aaron's invitation.
- D) They will have dinner right after school.

30

**Tom**

I think an ideal friend should be truthful and supportive. Ashley is my best friend and I always depend on her. She never shares my secrets with others and always tells the truth.

**Ashley**

Jenny is my best friend. We always have a wonderful time together. I love her because she always helps me and supports me a lot.

**Rob**

I think a loyal friend should have a lot of similar interests with you. Tom and I are like that. We do the same things all the time.

**Jenny**

Rob and I love each other so much. We never lie and we are very close. We sometimes argue, but usually, we have a good relationship.

According to the information above, what can we say about those people?

- I. Tom counts on Ashley.
- II. Rob and Jenny argue a lot.
- III. Rob and Tom have lots of things in common.
- IV. Rob and Jenny get on well with each other.
- V. Ashley always backs Jenny up.

A) I, II, V

B) I, III, IV

C) II, IV, V

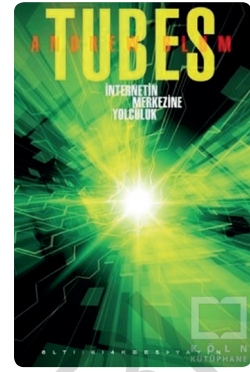

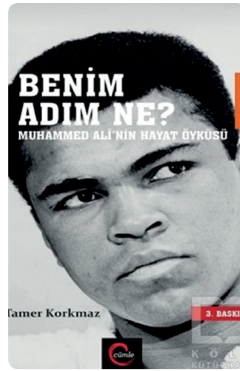

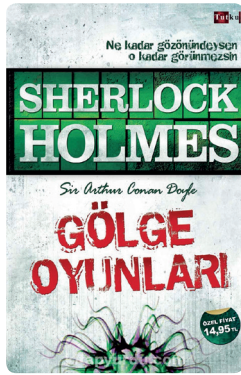

D) II, III, IV

UNIT 2

# Teen Life

DATA KAYITLARI

- 1 Researchers asked teenagers and adults in Turkey about kinds of books they preferred. Here are the results:

TEENAGERS

ADULTS

We can understand from the information above that .....

- A) adults are interested in learning famous people's lives, so most of them read biographical books  
 B) many of the teenagers are crazy about reading travel books because they enjoy discovering new places  
 C) nearly half of the adults can't stand reading detective books and they think detective books are unbearable  
 D) science-fiction books are the most popular among the teenagers in Turkey, but it is the least popular among the adults

2

Name	Brian	Jane	Michael	Linda	George	Mary
going skydiving	never	never	once a year	twice a month	never	at the weekends
taking cooking classes	never	twice a week	never	once a week	never	once a week
chatting with friends online	always	never	three hours a day	sometimes	once a week	never
drawing pictures	never	never	never	once a month	never	never
going trekking	on Sundays	everyday	never	once a week	twice a day	on Saturdays and Fridays
going camping	never	once a year	three times a year	twice a month	never	once a week

Which of the following is CORRECT according to the chart above?

- A) Michael hardly ever chats with his friends online.  
 B) Mary goes trekking and skydiving twice a week, but she never draws pictures.  
 C) Jane and Linda like learning new things, so they attend cooking classes once a week.  
 D) Brian never draws pictures, but he always goes camping because he likes being in nature.

➔ Answer the questions (12 - 13) according to the text below.

Hello, I am John. I am a high school student. I get up early in the mornings on weekdays. I wash my face and hands. Then, I have an enormous breakfast with my family at around 6.00. My favorite daily activity is doing exercises at home in the mornings. I do crunch 5 times, squad 10 times and push-up 5 times every day. This makes me feel energetic. After that, I go to school at 8.00 by school bus. My classes start at 8.30. I have lunch at the school canteen at 12.30 because I have lessons in the afternoons. My lessons finish at 3.30 p.m. After school, I follow after-school activities from 4.30 p.m. to 6.00 p.m. I play basketball, and I attend the dance club. I arrive home at 6.30 p.m. after the dance club. I have dinner at 7 o'clock. In the evenings, I often read a book, but I dislike watching TV. I am keen on surfing the Internet and chatting with my friends. I go to bed at around 11.00 p.m.

12 Which question IS NOT answered in the text above?

- A) How does John go to school?
- B) What does John do in the evenings?
- C) Who does John go to the dance club with?
- D) What is John's favorite daily activity?

13 We can understand from the text above that John.....

- A) doesn't leave home for the school until half past eight
- B) is really into watching TV before he goes to bed
- C) has a weak breakfast with his family and then he catches the school bus
- D) comes back home half an hour later after he leaves the dance club

14 Researchers asked teenagers in Turkey about their goals for themselves. Here are the results:

What goals do you have?	
Go on holiday with their friends	26 %
Read twenty books or more in a year	6 %
Go camping as a family	15 %
Learn a language	25 %
Go to a university	28 %

Which of the following is CORRECT according to the chart above?

- A) The most important goal among the teenagers in Turkey is to learn a new language.
- B) Reading a book is more popular than going camping with their family among Turkish teenagers.
- C) Half of the teenagers in Turkey prefer going camping as a family to taking a vacation with their friends.
- D) Many teenagers think educational goals are the most important ones.

**UNIT 3**

# **In The Kitchen**

DATA KAYITLARI

1 **Nancy:** Hello, Jane. I have some guests tonight. I need your help. I want to prepare fresh desserts like a fruit salad for them, but I don't know how to make it. Can you help me?

**Jane:** Sure, I can help you. It is easy to prepare.

**Nancy:** Thanks. What are the ingredients?

**Jane:** Two kiwi fruit, five strawberries, two bananas, a handful of grapes, half a lemon juice, a handful of cranberries and a tablespoon of honey.

**Nancy:** Well... What is the process?

**Jane:** First, peel the bananas and kiwi fruit. Second, cut them into small pieces. Put them into a small bowl, and then add some grapes and cranberries. Next, cut the strawberries into halves. After that, squeeze the lemon. Finally, add the lemon juice and honey.

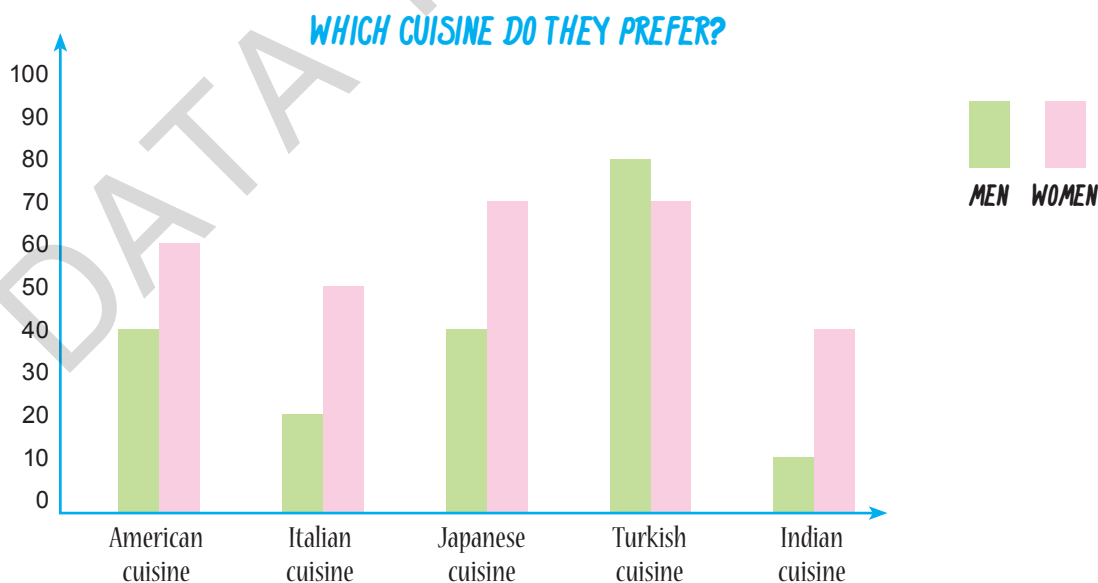

**Nancy:** Thanks for all the information.

**Jane:** You are welcome.

Which of the following is CORRECT according to the conversation above?

- A) Jane wants to prepare one of the fresh desserts for her guests, so she calls Nancy to learn how to make it.
- B) Nancy thinks the process of fruit salad is difficult, so she decides to try a different recipe.
- C) If you want to prepare a fruit salad, you should squeeze the lemon after cutting the strawberries into halves.
- D) When you prepare a fruit salad, you don't need any kitchen tools.

2 In Spain, researchers asked men and women about the cuisine they preferred. Here are the results:

Which of the following is TRUE according to the chart above?

- A) Men mostly prefer tasting Japanese cuisine, but they can't stand Italian cuisine.
- B) Nearly half of the women in Spain don't like Indian cuisine and Turkish cuisine.
- C) Turkish cuisine is the second popular cuisine after American cuisine among both women and men.
- D) Women like eating Japanese cuisine more than Indian cuisine.

→ Answer the questions (36 - 37) according to the text below.

It is easy to make spaghetti. I will explain in details how to make it. First, put 2 - 2,5 litres water in a pot and boil it. Next, put a package of spaghetti into boiling water, and put a full teaspoon of olive oil into the water, so spaghetti will not stick to each other. You should keep the spaghetti in the boiling water until they are soft. Then, you will need a strainer to drain. You will not need the boiling water. After that, put some butter into the pot and add the boiled spaghetti in it. Finally, cook it for 2-3 minutes before serving. You can serve up to 4 - 5 people. Enjoy your meal.

**36** What do you need to do first to cook spaghetti?

- A) You need to boil some water in a pot.
- B) You need to put a full teaspoon of olive oil into the boiling water.
- C) You have to add some butter and salt into the boiling water.
- D) You need to melt the butter in the pot before boiling the water.

**37** Which of the following picture shows the process of making spaghetti?

A)

B)

C)

D)

- 38**
- |           |                    |
|-----------|--------------------|
| I. crack  | a. the bread       |
| II. mash  | b. a glass of milk |
| III. pour | c. potatoes        |
| IV. slice | d. the eggs        |

Which of the following shows the CORRECT matching of the words above?

- A) I-a / II-c / III-d / IV-b
- B) I-d / II-c / III-a / IV-b
- C) I-a / II-d / III-b / IV-c
- D) I-d / II-c / III-b / IV-a

**UNIT 4**

# **On The Phone**

DATA YAYINLARI

→ Answer the questions (1 - 2) according to the results of the study below.

The researcher, Burak Kaya, conducts research about teenagers and adults in Turkey. His last research was about the ways of communication they preferred. Here are some results of his study from the questionnaire that he gave to them.

1 We can understand from the results above that .....

- A) nearly half of the teenagers in Turkey make a phone call to keep in touch with their friends
- B) making a phone call is the most popular way of communication among the adults in Turkey
- C) Turkish teenagers like both writing letters and talking face to face more than Turkish adults
- D) most of the teenagers in Turkey prefer using social networks, but it is the least popular among the adults in Turkey

2 Which of the following question DOES NOT have an answer according to the results of the study above?

- A) Which way of the communication is the most popular among Turkish adults?
- B) What is Turkish teenagers' favorite way of communication?
- C) How often do teenagers and adults use the Internet for communication?
- D) In what ways do both teenagers and adults in Turkey communicate?

**UNIT 5**

# **The Internet**

DATA YAYINLARI

→ Answer the questions (1 - 2) according to the speeches of the people below.

**Barbara** The Internet is functional for me. For example, I use it for my school assignments. I always search for information and practice for my lessons on the Internet. Moreover, I use the Internet to watch a movie or listen to music, but I never play games on the Internet. I access the Internet via my laptop or smartphone.

**David** I always use the Internet for fun and I spend too much time on the Internet. Especially, I like chatting with my friends or people from other countries because I enjoy meeting new people. I pay attention to the Internet etiquette when I chat with them. Besides, I am really into playing games on the Internet, but I can't stand online shopping. I connect to the Internet via my tablet or PC.

**Merve** Using the Internet is very important for me. I use it for all kinds of things; checking e-mails, watching series, etc. I also use social networking sites. I sometimes read online news. Besides, I am fond of online shopping to buy trendy clothes. I often browse articles about my lessons. Moreover, I like following foreign series to improve my English. I enjoy reading magazines online. I use my smartphone to connect to the Internet.

- 1** Which of the following is **CORRECT** according to the speeches of the people above?
- A) David and Barbara use the same electronic devices to access the Internet but their Internet habits are different.
  - B) David uses the Internet for only educative purposes so he never makes online friends and does online shopping.
  - C) All of them play online games and do the shopping online but only Barbara uses the Internet to improve her English.
  - D) Merve has accounts on social networking sites and also she uses the Internet for her school assignments.
- 2** In these speeches, there is **NO** information about .....
- A) David's purposes of using the Internet
  - B) what Merve likes doing on the Net
  - C) how many hours Barbara spends on the Internet
  - D) how they access the Internet

31

"How do you connect to the Internet?"

"How can I protect my computer from the viruses?"

"Why did he leave social networking sites?"

"What do you like doing online the most?"

Which of the following IS NOT an answer for any of the questions above?

- A) By uploading an anti-virus program.
- B) You must create online identities to log in.
- C) Via my desktop PC and tablet.
- D) I am into searching for information.

32

**Kate** Why didn't you reply to my e-mail?

**Joseph** What do you mean?

**Kate** I sent you a mail yesterday, however you didn't respond.

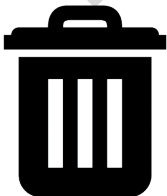

**Joseph** I'm sorry, but I didn't receive any e-mail yesterday.

**Kate** Let me take a look at your account. Oh, 5000 incoming mails! You should delete most of them, otherwise you cannot receive new mails.

**Joseph** Really? Thanks for your warning.

According to the dialogue above, which of the following icons must Joseph click on?

A)

B)

C)

D)

**UNIT 6**

# **Adventures**

DATA YAYINLARI

→ Answer the questions (1 – 2) according to the brochure below.

## EXTREME SPORTS CAMP

Antalya, Turkey

**Do you like exciting and challenging activities?**

**If you think you are an adrenalin seeker, you can join our camp and test yourself.**

**You can try many different activities such as**

**from 8 a.m. to 5 p.m.**  
**25th – 30th July**

**HAPPY ROCK CAMP AREA**

Aged  
between  
15 - 19

P.S: If you want to join the camp, please inform us in advance until 24th July.  
For more information, please call Julia Rock (0876 676 87 90).

**1** In the brochure above, there is **NO** information about .....

- A) the age range
- B) the exact date of the camp
- C) the fee for joining the event
- D) the deadline to inform the organizers

**2** We **CANNOT** understand from the brochure above that .....

- A) people can experience water and sky sports when they join the camp
- B) if someone wants to get more information, she/he can make a phone call
- C) the camp will take place in Antalya, Turkey in July
- D) the camp is going to last more than a week

→ Answer the questions (28-29) according to the conversation below.

**John** Hello, Alex. Do you like trying extreme sports?

**Alex** Hello, John. Yes, I am crazy about them. I think I am an adrenalin seeker.

**John** Well. What do you think about highlining?

**Alex** I think it is an amazing adventure. What about you?

**John** To me, it's too dangerous and risky. Have you ever tried it?

**Alex** Yes, I tried it last summer in Turkey. When I moved on the rope, I felt like I walked in the space. That was a fascinating feeling.

**28** According to the conversation above, which of the following extreme sport does John want to learn Alex's opinion about?

**29** We can understand from the conversation above that .....

- A) Alex is an adventure lover but John doesn't like taking risks
- B) both of them enjoy doing extreme sports very much
- C) John prefers taking part in extreme sports involving physical risk
- D) Alex is afraid of the activities which involve danger and risk

**UNIT 7**

# **Tourism**

DATA YAYINLARI

→ Answer the questions (6-7) according to the brochure below.

*The historic province, Konya*

We are organizing a tour in Konya. It will be a five day holiday in July. Our tour offers you to have lost of fascinating experience.

*Would you like to join us?*

**Attractions:** Mevlana Mausoleum and Museum, Çatalhöyük and Karatay Madrasa  
**Dishes:** Etlı ekmeđ, tandır kebab and tirit  
**Accommodation:** All-inclusive hotels, bed and breakfast hotels

July 5th  
July 10th

1500 ₺  
per person

6 Which of the following is CORRECT according to the brochure above?

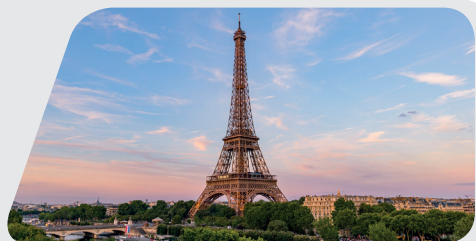

- A) Konya is a well-known seaside and cultural tourism destination in Turkey.
- B) People must pay extra money to attend the activities.
- C) The tour will last more than a week and it offers people a fascinating holiday.
- D) Visitors can stay in bed and breakfast or all-inclusive hotels in Konya.

7 Which question DOES NOT have an answer according to the brochure above?

- A) How long will visitors stay in Konya?
- B) What's the best time to visit there?
- C) What will tourists taste in Konya?
- D) What are the tourist attractions in Konya?

8

.....: Paris  
 .....: French  
 .....: Hotels, hostels and guesthouses  
 .....: Eiffel Tower and museums

Which of the following DOES NOT match with one of the blanks above?

- A) Currency
- B) Accommodation
- C) Official language
- D) Tourist attractions

34

**Sue** Hello, Zeyno. Where were you last week?

**Zeyno** Hi, Sue. I went to London.

**Sue** London? What did you do there?

**Zeyno** I visited museums and historical places. Moreover, I walked along the River Thames. It was a fascinating and remarkable place.

**Sue** Well. ....?

**Zeyno** Hmmm...it rained all the time and it was too expensive. But I had a good time there. I think it is one of the best places for me to relax and refresh.

Which of the following completes the dialogue above?

- A) Why did you go there
- B) How long did you stay there
- C) What didn't you like about London
- D) Who did you go with

35

Places	Names	Thomas	Lucy	Richard	Brian	Zoe	George
The Colosseum in Rome		✓	✗	✗	✓	✓	✓
The Great Wall of China		✗	✓	✓	✗	✗	✓
Petra		✗	✗	✓	✓	✓	✗
Ephesus		✓	✗	✗	✗	✓	✓
Samarkand		✓	✓	✗	✗	✗	✓
Masai Mara		✗	✓	✓	✗	✓	✗

People at the chart above want to see different places during their summer holiday.

Which one is **CORRECT** according to the chart above?

- A) Richard and Brian would like to see the Great Wall of China, but Zoe doesn't want to visit there.
- B) George prefers going to Ephesus and Samarkand, but Thomas isn't interested in visiting these places.
- C) Lucy doesn't want to see Petra and Ephesus during her summer holiday, but Zoe would like to visit these places.
- D) Thomas and Brian prefer seeing Samarkand and Masai Mara but they don't want to visit the Colosseum in Rome.

**UNIT 8**

# **Chores**

DATA KAYITLARI

- 1 Sandy Rock is a secondary school teacher. Every week, she gives rewards to her students who has the most smiling faces for each title on the chart below.

Here are the results of last week:

RESPONSIBILITIES IN CLASS						
Responsibilities	Names	Andy	Tom	Betty	Alex	Steve
Doing homework		☺☺	☺	☺☺☺☺☺	☺☺☺	☺☺☺☺
Bringing the necessary materials		☺☺☺☺	☺☺	☺☺☺	☺☺	☺☺☺☺☺
Coming to class on time		☺☺☺	☺☺☺☺	☺☺	☺☺☺☺☺	☺
Being respectful to your friends		☺☺☺☺☺	☺☺☺	☺☺☺☺	☺☺☺	☺☺
Keeping the class clean		☺☺	☺☺☺	☺☺☺	☺☺	☺☺☺
Raising your hand before speaking		☺☺☺	☺	☺☺	☺☺☺	☺☺

Which of the following is CORRECT according to the chart above?

- A) Alex got a book as a reward for keeping the class clean because he had the most smiling faces.  
 B) Andy didn't have the most smiling faces for the titles, so unfortunately, he could not get any prize last week.  
 C) Betty has more smiling faces for coming to class on time than Steve, but Alex got a reward for this title.  
 D) Tom got a prize for being respectful to his friends and Steve got a reward for bringing the necessary materials.

- 2 In Turkey, researchers asked 40 women about the responsibilities they like and dislike.

Here are the results:

	LIKE	DISLIKE
Ironing the clothes	10	30
Dusting the furniture	11	29
Vacuuming the house	25	15
Cleaning the windows	13	27
Emptying the dishwasher	16	24

We can understand from the chart above that .....

- A) more than half of the women in Turkey can't stand dusting the furniture, but they are crazy about emptying the dishwasher  
 B) ironing the clothes is the least popular among Turkish women, but most of them like vacuuming the house  
 C) many Turkish women are keen on cleaning the windows but they don't like vacuuming the house at all  
 D) most of the women in Turkey are in charge of vacuuming the house and doing the ironing, but cleaning the windows is their favourite

33

	Mopping the floor	Doing the ironing	Taking out the garbage	Watering the plants	Setting the dinner table
Anna	🙄 on Sundays	🙄 on Saturdays		😊 on Fridays	
John			🙄 on Wednesdays		
Linda		😞 on Thursdays			😄 on Tuesdays
Mary	😞 on Tuesdays				
David			😊 Everyday	🙄 on Mondays	

Which of the following is CORRECT according to the chart above?

- A) Taking out the garbage on the third day of the week is John's task, but he feels annoyed.  
 B) Mary mops the floor the day after Wednesday, but when she does it, she feels bored.  
 C) David waters the plants on the first day of the week and he feels happy with his responsibility.  
 D) Linda and Anna do the ironing on different days, but they are crazy about doing it.

34

## School Rules

- I. Keep your desk tidy.
- II. Raise your hand to speak.
- III. Return books on time.

## Library Rules

- IV. Keep quiet.
- V. Don't eat or drink.
- VI. Arrive on time.

Which of the rules listed above are in the WRONG list?

- A) I - IV      B) I - V      C) II - IV      D) III - VI

35

Names	Monday	Tuesday	Wednesday
Linda	Walk the dog	-	Tidy up the room
Usher	Do the laundry	Water the plants	Do the ironing
Melissa	Do the shopping	Vacuum the floor	-

Which of the following is CORRECT according to the chart above?

- A) Linda is not responsible for any other chores.  
 B) Melissa has to do indoor chores every day.  
 C) Usher is the one who does the most chores.  
 D) All of them don't do any chores on the third day of the week.

<b>Name</b>	Stephen Hawking
<b>Date of birth</b>	January 8, 1942
<b>Place of birth</b>	Oxford, Britain
<b>Profession</b>	theoretical physicist, writer
<b>What did he do?</b>	He published many articles about the fields of cosmology and quantum gravity. He was the director of research at the Center for Theoretical Cosmology. He worked on a subject called Black Hole Information Paradox.
<b>Death</b>	March 14, 2018

Which of the following can we say according to the information above?

- A) He was born on the eighteenth of January, nineteen forty - two.
- B) He was interested in different fields of science and he died at the age of seventy - four.
- C) He made many contributions to the field of theoretical physics and wrote articles.
- D) He published a book called "Black Hole Information Paradox" and got a prize with it.

2

Some of the scientific developments since the 1950s:

- ▶ 1958 - The ultrasonic image of an unborn child.
- ▶ 1969 - Astronauts make the first steps on the Moon.
- ▶ 1975 - Birth of home computer.
- ▶ 1981 - CDs go on sale.
- ▶ 1991 - The first Internet browser.
- ▶ 1997 - Dolly the sheep, first cloned animal from an adult cell.
- ▶ 2001 - Scientists insert bionic eyes into retinas of blind men to restore their vision.

Which of the following is **TRUE** according to the information above?

- A) Scientists cloned an animal from an adult cell eight years later after the first Internet browser.
- B) People started to use the computer after the invention of CDs in 1981.
- C) The ultrasonic image of an unborn child came later than bionic eyes.
- D) The astronauts walked on the surface of the Moon in the 1960s.

# **Natural Forces**

DATA YAYINLARI

- 1 Researchers conducted a survey about the effects of natural disasters in Turkey from 2000 to 2019. Here are the results:

Disasters	Number of Deaths	Number of Affected People	Damage
Earthquake	15000	1000000	50.000.000 \$
Flood	5000	250000	16.500.000 \$
Forest fire	1200	15000	5.000.000 \$
Landslide	250	12000	850.000 \$

Which of the following is **CORRECT** according to the results above?

- A) Forest fires in Turkey killed more than twelve million people and it caused less than five million dollars economic loss.
- B) More than one million people died because of the earthquake in nineteen years.
- C) The number of deaths caused by floods is more than the number of those by forest fires.
- D) Landslides caused the most economic loss in Turkey in nineteen years.

Anna

I think there will be a lot of serious natural disasters in the world in the future. And now, some disasters are affecting the future of the world day by day. ....?

Tom

I think erosion is the biggest problem of the world.

Anna

..... ?

Tom

We destroy forests and the other main reason is misused agricultural areas, so the number of trees will decrease. Also, many animals will affect badly from this situation.

Anna

..... ?

Tom

Yes, we should plant trees and educate people to protect the forests.

Anna

You are right. This world is our home. So, I think we should have some responsibilities to save it.

Which of the following **DOES NOT** complete the dialogue above?

- A) Do you have any advice to save the Earth from erosion
- B) Which precautions should people take against erosion
- C) What is the most threatening problem of the world for you
- D) Why do you think so

18

**Anna** Hello, Jale. How are you today?

**Jale** Hello, Anna. I am sad and worried.

**Anna** Why? What happened?

**Jale** Yesterday, a heavy rain in my hometown caused a destructive flood and it caused lots of damage. ....

**Anna** I am really sorry to hear that. Do local officials have a plan for the families?

**Jale** Yes, they will help them.

Which of the following completes the dialogue above?

- A) Charities quickly sent food and tents to help people without homes.
- B) As a result of this natural force, hundreds of people lost their houses and five people died.
- C) Survivors are happy because the government will help them financially.
- D) Luckily, people left their homes before the flood arrived and nobody lost their lives.

19

- ◆ It has been a year since it rained.
- ◆ There're extreme weather conditions every day.
- ◆ Many wild animals and thousands of trees were destroyed.
- ◆ The village was evacuated because of the eruption.

Which of the following natural disasters IS NOT mentioned above?

- A) Drought
- B) Global warming
- C) Forest fire
- D) Landslide

20

**Manuel** .....

**Angela** Because people destroy it by using up resources irresponsibly. They pollute the environment and cut down the trees.

**Manuel** .....

**Angela** The rate of the carbon dioxide in the atmosphere will increase and cause the temperature to get higher than normal.

**Manuel** .....

**Angela** We should save all the natural resources and use recyclable products. We should also protect the forests and plant more trees.

Which of the following questions DOES NOT Manuel ask Angela?

- A) What should we do to save the nature?
- B) Why does the nature die out?
- C) What will happen if the carbon dioxide rate in the air increases?
- D) What will happen if we destroy forests?
